We/us/our etc means Amplified Intelligence.

You/your means the user of our website.

## General use

By using the Amplified Intelligence website and the information offered on it, you are agreeing to these terms and conditions. You are solely responsible for connecting to this site and for your use of this site, as well as your use of the information you find on this site. You accept any transmission risks from using this site, including cyber security risks caused by third parties.

Feel free to contact us if you have any questions about these terms of use.

## Revisions

From time to time we will revise these terms and conditions, so keep up to date. Revision dates will be listed on the terms and conditions.

## Lawful purposes

You agree to use [www.amplifiedintelligence.com.au](http://www.amplifiedintelligence.com.au) for lawful purposes only. This includes using our website in a way that does not restrict or inhibit the use of our website by others, or which might harass or cause distress to any person. So, it should go without saying (but we have to) that the transmission of obscene or offensive content using our website violates these terms and conditions. In short, don't use this website to do obscene and unlawful things.

## Accuracy

We care about our website and our business, so we have taken all the precautions we can to make sure that the information we provide is accurate. Mistakes happen you know, so we can't guarantee that it's perfect and we don't accept any legal liability for its imperfections. Nor do we accept any legal liability for the sites to which we are linked.

## Disclaimer

This website is not a substitute for independent professional advice. It is up to you to evaluate what you read on this website and determine how you use the knowledge obtained.

## Security

We don't collect personal information through this website. Read our Privacy Policy for a more detailed explanation of what is collected.

We recommend that you use appropriate and up-to-date firewall and anti-virus software to protect your computer systems.

## Privacy

Please read our Privacy Policy for a detailed explanation of how we meet our privacy responsibilities for Australia and the EU.

## Cookies

We use cookies, who doesn't? Through Google Analytics we collect information to analyse how our website is performing.

We don't, however, engage in online advertising so you won't be receiving any unwanted advertising from us.

Please read our Privacy Policy for more information about our use of cookies.

## Website links

We care about who we link to, but we have no direct control over the content or functionality presented in those websites.

We do not endorse products or services offered by external websites to which we link.

You may link to this website so long as you don't:

- change the content and/or represent it differently
- use the content and represent it as your own
- imply that we endorse your products or services.

If we're not happy about what you've done and if these conditions are not met, we will ask you to remove the link from your website.
